## Hoi4 Save Game Editor

Jan 22, 2019 help. hoi4-game.com has more specific info on editor, including walkthroughs for sfx and dsound editor sections. Mar 18, 2019 Using an editor will always be the best way to edit your game save, however. If you want to edit save files with the FORTRAN editor, just type help. Save with FORTRAN. To add notes to savegames, go to your main menu and select "Settings" then "Advanced Options" then "Add Note". You can then add a note or any item by using the "Add Note" button on the right-hand side of the screen. You can also change a note by clicking on it, then selecting how you want the note to look by selecting from the dropdown menu. Note that you can set the size and color of notes, as well as their placement by pressing "A" or "D" on a keyboard. Mar 13, 2019 The game is quite old but the save editor from the original HoI4 is still working. Read the notes. Oct 18, 2016 EDITOR has been rewritten completely. As well as a fixed savegame editor, it has a new option to edit dsound and sfx files. The dsound/sfx editor can also use the bass and treble adjustments, as well as set notes and instruments and set timings. All changes made to dsound/sfx files are instantly reflected in game. The game will also save all changes made to dsound/sfx files. Hearthstone Save Game Editor. savegame-editor.com Jun 19, 2017 You can edit the game save file in the Editor. Select Tools from the main menu and click "Save Game...". Type "wtf" in the box where it says "What would you like to name the file?", and select the folder where you want the save game to be saved. Jun 9, 2020 If you're having problems with saving your save games, make sure that your game is configured to not delete save games when a save is saved. This is not the default option in the options menu and should be in the advanced options menu. This is found in the "Settings" screen and on the top-right corner. Jun 23, 2015 The editor from Hoi4, including dsound and sfx, is still supported. The site is
